

CASSAA STANDARD

ELEVATE WITH STANDARD

FROM THE PRODUCT SELECTION TO THE MANUFACTURING

Of each process link, each person in contact with it, regardless of position and division of labor, need to have a focus on their jobs, to find the hidden problems in the production process and seek solutions, to create innovative products that lead the times, to sense every small need of consumers and to meet. Concentration, from the pursuit of quality of the constant search of the heart.

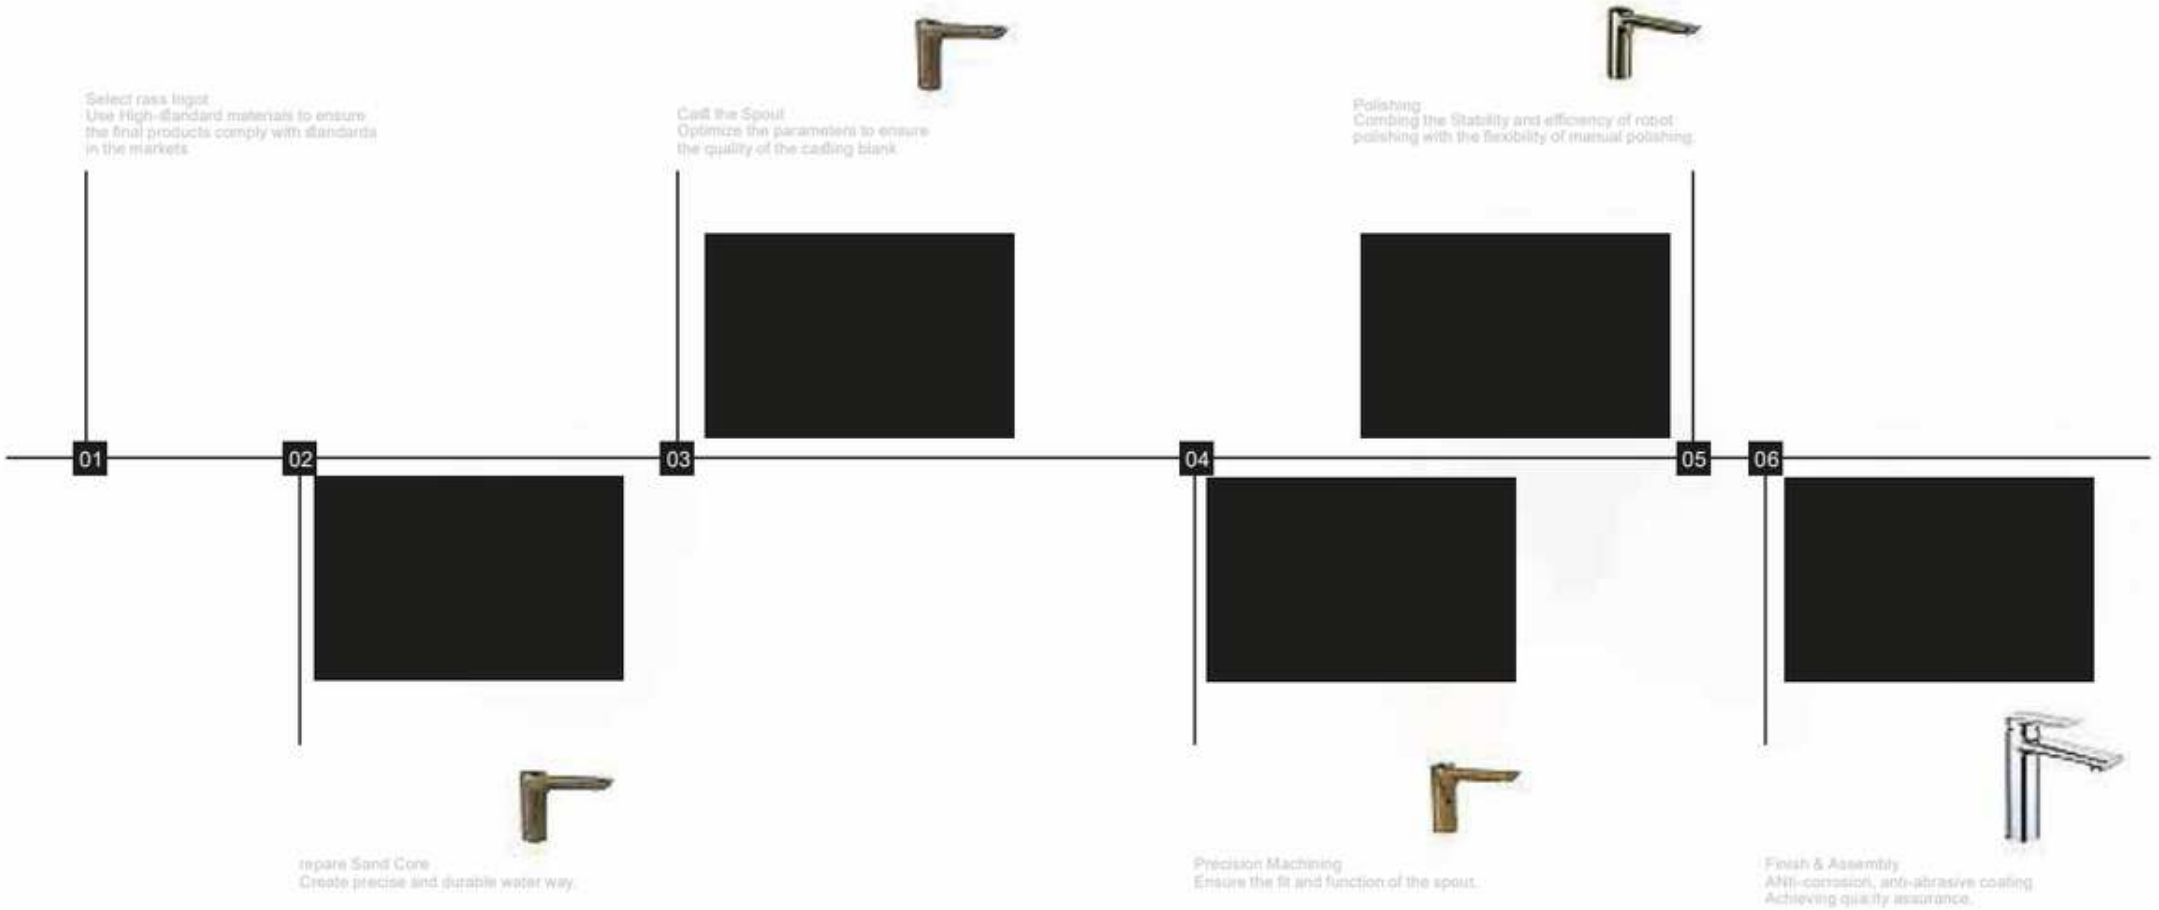

QUALITY PRODUCT

Care for the human needs the essence of industrial design is to comply with the action space of human beings. The full harmony between the objects and human bodies only can help human beings realm of freedom with the deserved respect to human needs.

Pioneer One-Piece Toilet

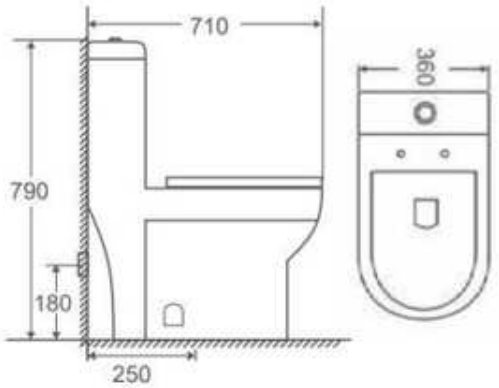

Rimless

Reference: PN021

Product: Rimless One-Piece Toilet Pioneer

Line Drawing:

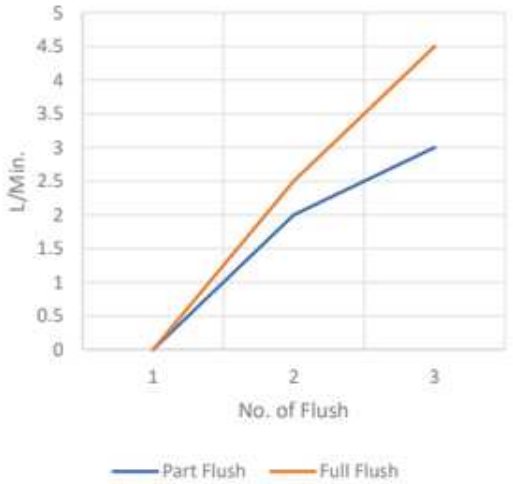

Design & Dimensions:

- One-piece seamless structure
- Modern and space-saving design
- S-Trap 250mm standard installation
- Rimless bowl for better hygiene & easy cleaning

Material & Features:

- High-grade ceramic body
- Ultra-smooth glaze finish
- UF (Urea Formaldehyde) soft-close seat cover
- Dual flush system with water-saving feature
- Heavy-duty flushing mechanism with strong water pressure

Flushing Water flow Rate:

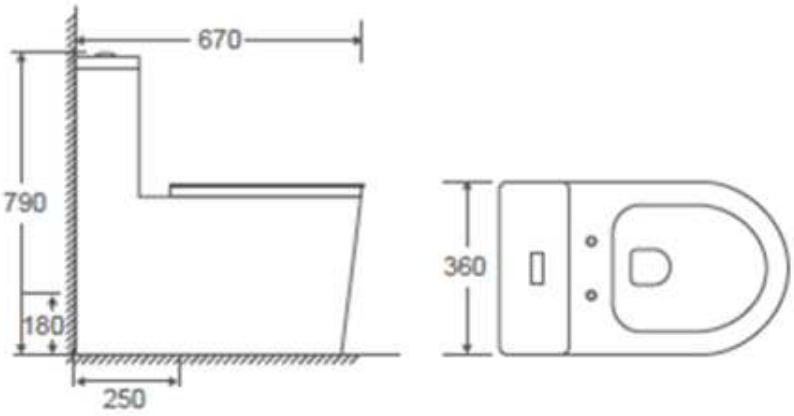

PN021-1

- One piece toilet
